His Highness the Maharaja of Mysore,
General and Revenue Departments,

Sir,

In submitting herewith, the Vernacular Correspondence ending with yadi No. 40 dated 10th August last, from the Assistant Commissioner in Charge of the Chellakere Sub-Division, I have the honor to report that on the top of the Bharmagiri hill near Siddapur village in the Molacalmuru Taluk there is a big terraced building said to have been built by a mendicant Jangamia about 45 years ago at a considerable cost. After the demise of the said Jangamia, the building referred to remained unoccupied and unclaimed.

2. In the year 1899, the Amildar of the said Taluk inspected the locality and reported to this Office

that.

... portion of the building required repairs. Thereupon he was directed to get the necessary work executed at Government cost and to put the Patel of the Seddapur village in charge of it, subject to its restoration to the proper claimant on production of proof of his title to the same. A sum of Rs 2-8-0 was incurred from District Funds on its repairs.

3. In December 1902, the Assistant Commissioner in charge of the Chellakere Sub-Division, inspected this locality and recommended that the building might be taken over by the Government and the Patel of the Seddapur village put in charge of it, he being given Rupee one a month as remuneration. A notification was published in the Mysore Gazette and also in the Seddapur village, calling upon claimants, if any, to prove their title to the said building within 6 months from the date of the publication of the notification, otherwise the building would be treated as escheat. Although the time fixed in the notification expired a year ago, no claimant has yet turned up to prove his title to the said building. The matter was placed in September last before the District Board in order

to ascertain their views as regards the payment of remuneration to the Patel from District Funds. As the Board are agreeable to this proposal (Vide copy of the resolution enclosed), I beg that the Government may be pleased to accord sanction to the building in question being taken over by the District Board for management and also to the payment of remuneration of Rupee one per month to the Patel of Siddapur village to look after the building. Necessary provision for meeting this extra cost will be made in the District Fund Budget for 1907-08.

I have the honor to be,

Sir,

Your most obedient Servant,

Dy. Commissioner

Chitaldrug District
